2016 Susan G. Komen Pittsburgh Race for the Cure Traffic Advisory

In preparation for the 2016 Susan G. Komen Race for the Cure we issue the following traffic notices that may impact travel to Schenley Park on Sunday, May 8, 2016.

GREENFIELD BRIDGE CLOSURE

The Department of Public Works advises that there is a closure of the Greenfield Bridge between Alger Street in Greenfield to Overlook Drive in Schenley Park to accommodate the reconstruction of a new bridge. Traffic is detoured around the bridge with the aid of a posted detour. Visit www.greenfieldbridge.otmapgh.org for more information about posted detours.

LIBERTY BRIDGE

PennDOT advises motorists that deck replacement work on the Liberty Bridge could impact traffic patterns for race attendees. PennDOT anticipates that two inbound (northbound) lanes will be open at 5 a.m. on race day. Two outbound (southbound) lanes will open at 10 a.m.

FORT PITT TUNNEL

The outbound (westbound) Fort Pitt Tunnel will close to traffic from Friday at 8 p.m. continuously through 6 a.m. Monday. Inbound (eastbound) Fort Pitt Tunnel will remain open all weekend.
